Table of Organization, Services Branch, A&M

1. The Table of Organization of the Transportation Division, Services Branch, A&M, is amended as follows:

Addition:

2 Mechanic's Helpers CPC-4

2. This addition is made after consideration of the fact that there are approximately eighty (80) CIA vehicles that require servicing, and with the understanding that each chauffeur will be assigned another vehicle and not be idle because his regularly assigned vehicle is being serviced.

3. This amendment to the Table of Organization does not change the personnel ceiling established in the Executive Director's memorandum of 10 July 1947.
